

Attachment 3.1-~~B~~**I**

changed per  
AT-82-30.  
(S)

Transportation required by clients to obtain needed medical care under the program is provided when such required transportation cannot be secured without charge through volunteer organizations such as fire departments, public ambulances and other public services, or from relatives.

1. By reimbursing providers of transportation by ambulance if other types of transportation are contra-indicated.
2. By reimbursing providers of common carrier and other specialized types of transportation.
3. By providing petty cash to clients in compensation for cost of travel by private automobile.
